8. Campus Facilities (Q48–Q53)
9. Important Notices (Q54–Q58)
10. Frequently Asked Questions (Q59–Q65)

1. College Information

Q1. What is the full name of the college?

Answer: Asansol Engineering College (AEC).

Q2. When was AEC established?

Answer: AEC was established in 1998.

Q3. Where is AEC located?

Answer: Vivekananda Sarani, Kanyapur, Asansol, Paschim Bardhaman, West Bengal – 713305.

Q4. Is AEC a government or private college?

Answer: AEC is a private, self-financing institution.

Q5. Which university is AEC affiliated with?

Answer: Maulana Abul Kalam Azad University of Technology (MAKAUT), West Bengal, formerly known as West Bengal University of Technology (WBUT).

Q6. Is AEC approved by AICTE?

Answer: The college states that it is approved by the All India Council for Technical Education (AICTE).

Q7. Is AEC recognized by UGC?

Answer: The college states that it is recognized by UGC under Section 2(f) of the UGC Act, 1956.

Q8. What is the college's general contact email?

Answer: principal@aecwb.edu.in.

Q9. What is the women's helpline number listed by the college?

Answer: 9073683912. These details are listed on the official college website.

2. Courses and Departments

Q10. Which B.Tech courses does AEC offer?

Answer: The college's courses page lists:

- Computer Science and Engineering (CSE)
- Electronics and Communication Engineering (ECE)
- Information Technology (IT)
- Mechanical Engineering (ME)
- Electrical Engineering (EE)
- Computer Science and Business Systems (CSBS)
- CSE (Artificial Intelligence and Machine Learning)
- CSE (Internet of Things and Cyber Security, including Blockchain Technology)
- Civil Engineering (CE)
- CSE (Data Science)

Q11. How long is the B.Tech programme?

Answer: The college lists B.Tech as a four-year programme.

Q12. Which M.Tech courses are offered?

Answer: M.Tech in CSE, Electrical Engineering, and Electronics and Communication Engineering.

Q13. Does AEC offer MCA?

Answer: Yes. Master of Computer Applications (MCA) is listed.

Q14. Does AEC offer diploma courses?

Answer: Yes. The listed diploma branches are Civil Engineering, Electrical Engineering, Computer Science and Engineering, Electronics and Communication Engineering, and Mechanical Engineering.

Q15. Does AEC offer BBA and BCA?

Answer: Yes. Both BBA and BCA are listed on the college's courses page.

Q16. What are the listed B.Tech intakes?

Answer: The courses page lists the following intakes:

Programme	Intake
CSE	300
ECE	120
IT	120
ME	60
EE	90
CSBS	60
CSE (AI & ML)	120
CSE (IoT and Cyber Security including Blockchain)	60
CE	30
CSE (Data Science)	60

Q17. What are the listed postgraduate intakes?

Answer: M.Tech CSE: 18; M.Tech ECE: 13; M.Tech EE: 13; MCA: 90.

Programme	Intake
M.Tech CSE	18
M.Tech ECE	13
M.Tech EE	13
MCA	90

Q18. What are the listed diploma intakes?

Answer: The college lists 30 seats for each of the five diploma branches.

Q19. What are the listed BBA and BCA intakes?

Answer: The courses page lists BBA at 150 and BCA at 180. The homepage displays different figures for some courses, so these intakes and programme durations should be confirmed for the relevant admission year.

3. Admissions

Q20. How can a student apply for B.Tech admission?

Answer: The college's B.Tech page lists WBJEE and JEE Main merit ranks as admission routes. Applicants must follow the applicable counselling and admission instructions.

Q21. What is the general B.Tech eligibility criteria?

Answer: The college's published B.Tech information refers to passing Class 12 with eligible subjects and at least 45% marks in the specified subjects taken together, or 40% for reserved-category candidates. Applicants should confirm the current rules for their admission year.

Q22. Is lateral entry available for B.Tech?

Answer: The college lists a lateral-entry B.Tech route with a three-year duration. Applicants should check the current entrance-exam and eligibility requirements.

Q23. What documents are required for admission?

Answer: A complete current checklist could not be verified. Applicants should obtain the latest programme-specific admission instructions from the college.

Q24. What is the admission deadline?

Answer: Not confirmed. The deadline depends on the admission year and round.

Q25. How can applicants contact the admission office?

Answer: The college's admission assistance information lists admission@aecwb.edu.in and the phone numbers 9073683912 and 8100192408. Confirm current availability before relying on these details.

4. Fees and Scholarships

Q26. What is the current B.Tech tuition fee?

Answer: A complete, verified current fee schedule could not be confirmed. Contact the college for the applicable programme and admission batch fee structure.

Q27. What is the current MCA fee?

Answer: Not confirmed. Request the latest official MCA fee schedule from the college.

Q28. What is the current BBA or BCA fee?

Answer: Not confirmed. Fees should be verified for the applicable programme and admission year.

Q29. Are there additional fees besides tuition?

Answer: Additional charges may be specified in the official fee notice. The exact current amounts could not be verified here.

Q30. Does AEC provide scholarship information?

Answer: The college provides scholarship-related information. Students should check the current scholarship policy and individual scheme eligibility.

Q31. What is the caution-deposit refund procedure?

Answer: The college lists caution-deposit refund guidelines and a refund form. Students should follow the current instructions and required documentation.

Q32. What is the fee-payment deadline?

Answer: It depends on the relevant notice. The deadline must be checked against the latest applicable fee notice.

5. Examinations and Academic Calendar

Q33. Where can students find examination routines?

Answer: Examination routines and related announcements are published through the college's examination and notice sections.

Q34. Where can students find the academic calendar?

Answer: Students should consult the academic calendar issued for their programme and semester. A current complete calendar was not verified here.

Q35. Where can students find the syllabus?

Answer: The college publishes programme-specific autonomous syllabi and regulation documents.

Q36. What does R25 mean in the syllabus?

Answer: R25 identifies a syllabus regulation version. The applicable admission batch and effective year should be checked in the relevant syllabus document.

Q37. What should students do if an examination notice is revised?

Answer: Follow the latest applicable official notice and treat the replaced notice as historical.

6. Faculty and Contact Details

Q38. What is the college's general email address?

Answer: principal@aecwb.edu.in.

Q39. What is the admission email address?

Answer: admission@aecwb.edu.in, as listed in the college's admission assistance information.

Q40. How can students find a department's Head of Department?

Answer: Consult the relevant department's official page. A complete, current list of all department heads was not verified for this dataset.

Q41. How can students find faculty names and designations?

Answer: Consult the department's faculty information. Only publicly listed professional details should be used in the chatbot.

7. Placements and Career Support

Q42. Does AEC provide placement support?

Answer: The college describes training and placement-related activities, including industrial exposure and skill-development programmes.

Q43. Does AEC provide industry-oriented training?

Answer: The college's training approach describes industrial exposure, finishing-school programmes and technology-related courses.

Q44. What is AEC's placement percentage?

Answer: A current, verified placement percentage was not established for this dataset. The chatbot should not invent or estimate this figure.

Q45. What is the average salary package at AEC?

Answer: A current, verified average package could not be confirmed. Refer to the official placement report for the relevant graduating batch.

Q46. Which companies recruit from AEC?

Answer: The college displays recruiter logos and company-related information. A complete verified current recruiter list was not established here.

Q47. How can students obtain placement statistics?

Answer: Contact the Training and Placement Cell and request the official year-wise placement report.

8. Campus Facilities

Q48. Does AEC have a library?

Answer: The college describes library facilities and departmental learning resources.

Q49. Does AEC provide hostel facilities?

Answer: Yes. The college lists boys' and girls' hostel facilities.

Q50. What hostel facilities are available?

Answer: The college's hostel information describes accommodation and amenities. The exact current availability, room allocation, rules and charges should be confirmed with the hostel office.

Q51. How can students apply for a hostel?

Answer: The college lists a hostel admission form. Students should follow the latest hostel admission instructions.

Q52. Does AEC provide sports and extracurricular activities?

Answer: The college describes sports and extracurricular activities, including student activities and institutional initiatives.

Q53. Where can students get hostel clearance information?

Answer: The college lists a hostel clearance form for students.

9. Important Notices

Q54. Where can students find the latest college notices?

Answer: Students should check the official News & Notices section and the Examination section.

Q55. What types of notices are published?

Answer: The college publishes notices about class commencement, fee submission, examination form fill-up, practical examinations and other academic matters.

Q56. What was the notice about first-year class commencement in 2026?

Answer: The college homepage lists a notice titled “Notice of 1st Year class commencement - 2026,” dated August 7, 2026. Students should check the notice itself for the applicable programme and instructions.

Q57. How should the chatbot answer questions about a deadline?

Answer: It should provide the deadline only when it can verify the applicable official notice. Otherwise, it should say that the deadline is not confirmed.

Q58. Should expired notices be used as current information?

Answer: No. Expired notices should be treated as historical unless a later official notice extends or replaces them.

10. Frequently Asked Questions

Q59. Is Asansol Engineering College affiliated with MAKAUT?

Answer: Yes. The college states that it is affiliated with MAKAUT, West Bengal.

Q60. Is AEC a self-financing institution?

Answer: Yes. The college describes itself as a self-financing institution.

Q61. Does AEC publish institutional disclosure documents?

Answer: Yes. The college lists AICTE approval, UGC recognition, NBA accreditation, audited statements, NIRF information and mandatory disclosure materials.

Q62. Does AEC have an online grievance system?

Answer: The college lists an online grievance system and a grievance redressal policy/mechanism.

Q63. Where can students find anti-ragging forms?

Answer: The college lists anti-ragging affidavits for students and guardians, including college and hostel-related forms.

Q64. What should the chatbot say when it cannot verify an answer?

Answer: “I could not verify this information from the available official college sources. Please contact the college office.”

Q65. Should the chatbot guess missing fees, eligibility criteria or deadlines?

Answer: No. It should provide only verified information and clearly mark unavailable details as “Not confirmed.”
